YOUR PERSONAL CARPET PVC

Montecolino Spa, nella sua continua ricerca di nuovi articoli, ha ideato questa collezione di tappeti in **PVC** stampati con tecnologia digitale. La collezione **YOUR PERSONAL CARPET PVC** è una raccolta di disegni di assoluta tendenza che spazia dalla riproduzione di antiche pavimentazioni in ceramica a moderni geometrici passando da effetti tessili pied de poul e scozzesi. La possibilità di avere i tappeti in tantissimi formati li rendono adatti a tutti gli ambienti della casa: grandi formati per soggiorni e sale da pranzo, formati intermedi per camere da letto e passatoie per ingressi e cucine. Il progetto **YOUR PERSONAL CARPET PVC**, oltre a proporre svariati disegni, dà la possibilità ad ognuno di crearsi il **PROPRIO TAPPETO** semplicemente partendo da una foto o un disegno che verranno elaborati dal nostro ufficio grafico e riprodotti sullo speciale supporto antiscivolo.

*Montecolino Spa, in its constant search for new articles, has created a new collection of **PVC** carpets printed with digital technology. **YOUR PERSONAL CARPET PVC** collection is a collection of absolute trend designs ranging from the ancient ceramic flooring to modern geometries, sweeping from textile effects like pied-de-poule and tartan. The opportunity to have rugs in many formats make them suitable for all the rooms of the house: large formats for living rooms and dining rooms, middle formats for bedrooms and runners for entrances and kitchens. **YOUR PERSONAL CARPET PVC** project, as well as offering various designs, gives everyone the chance to create their **OWN CARPET** simply starting from a photo or a design that will be processed by our graphics and printed on the special PVC support.*
